Quiz Questions on Registration

1. Employers are prohibited by law from knowingly employing any individual who is required to be registered with the College but is not.

True False
2. Mandatory registration requirements are only applicable to those in clinical practice.

True False
3. Individuals volunteering their SLP or audiology professional services are exempt from mandatory registration.

True False
4. The General Register includes those SLPs and audiologists who are entitled to practice and use the protected titles of their profession in Alberta.

True False
5. Individuals with *Non-Practicing* status may volunteer as an SLP or audiologist and continue to use the protected titles of their profession. They must use the term “Non-Practicing” in parentheses following their title.

True False
6. A practice permit must be on display or made available for inspection upon the request of employers or the public.

True False
7. A *Non-Practicing* member who wishes to return to professional practice can do so while waiting for the College to change their status to *Registered*.

True False

8. Labour mobility legislation applies to provincial regulatory bodies and to professional member associations.

True False

9. An individual who resigns from the College and wishes to reapply for registration at a future date can simply submit a status change form.

True False

10. ACSLPA is required to notify an employer when a practice permit is suspended or conditions are applied.

True False

Quiz Answers

1. *True* – The employer may be guilty of an offence and may be subject to a fine and possible imprisonment.
2. *False* – An SLP or audiologist who teaches or conducts research related to their profession in Alberta must be registered, even if they are not involved in clinical practice.
3. *False* – Mandatory registration requirements apply regardless of whether an individual engages in paid employment or volunteers, or practices full-time, part-time or on a casual basis.
4. *True*
5. *True* – *Non-Practicing* members may NOT practice or volunteer but can use protected titles as long as they have “(Non-Practicing)” after their title.
6. *True* – Regulated members are able to print their practice permit by accessing their Member Login on the ACSLPA website.
7. *False* – Members must change their status to *Registered* PRIOR to beginning to work or volunteering in their profession.
8. *False* – Labour mobility legislation applies to regulatory bodies only.
9. *False* – The individual must meet ALL the registration requirements in place at the time of their application. This means education, current practice and examination requirements.
10. *True* – The *Health Professions Act* requires a college to notify an employer when a practice permit is suspended or conditions are applied.
