

FINDINGS OF UNPROFESSIONAL CONDUCT, PROFESSIONAL NEGLIGENCE, CRIMINAL CHARGES OR CRIMINAL CONVICTIONS

As per 2018 amendments to the *Health Professions Act (HPA)*, regulated members must report the following:

- 127.(1) If a person is a regulated member of more than one college and one college makes a decision of unprofessional conduct with respect to that regulated member, the regulated member must, as soon as reasonably possible, report that decision and provide a copy of that decision, if any, to the registrar of any other college the person is a regulated member of.
- (2) If a governing body of a similar profession in another jurisdiction has made a decision that the conduct of a regulated member in that other jurisdiction constitutes unprofessional conduct, the regulated member must, as soon as reasonably possible, report that decision and provide a copy of that decision, if any, to the registrar.
- (3) A regulated member must report any finding of professional negligence made against the regulated member to the registrar in writing, as soon as reasonably possible, after the finding is made.
- (4) A regulated member must report in writing to the registrar, as soon as reasonably possible, if the regulated member has been charged with an offence under the *Criminal Code (Canada)* or has been convicted of an offence under the *Criminal Code (Canada)*.

Failure to report may constitute unprofessional conduct and will be referred to the Complaints Director for investigation, as appropriate.
