Alberta College of Speech-Language Pathologists and Audiologists

# Continuing Education Activities Tracking Form

The following activities can be counted as continuing education activities under ACSLPA's Continuing Competence Program:

- All college-directed activities (e.g., jurisprudence education requirements, therapeutic boundaries guideline, etc.).
- Attendance at professional/clinical education event(s) (e.g., conference(s), presentations, workshops, webinars, seminars)
- Self-Study (e.g., review of scholarly articles, literature, internet searches)
- Supervision and mentorship of colleagues or students
- Publications in a peer-reviewed journal
- Participation in a study or interest group
- Professional committee work (e.g., ACSLPA committee, SAC or ASHA task force)
- Coursework (online or in-person) including university courses related to profession
- Teaching (online or in-person) of coursework related to profession (e.g., university or college courses)
- Presentation(s)/in-service(s) (e.g., to students, other professionals)
- Presentation by manufacturer
