## Standard Area 4.0

### Practice Management

#### 4.6 Human Resources Management–Draft–For Review

This standard is applicable to regulated members who are responsible for the management of employees.

##### Standard

A **regulated member** of ACSLPA, who is *responsible for the management of employees*, ensures the appropriate management of human resources to support **competent** safe, **inclusive**, and effective service delivery.

##### Indicators

To demonstrate this standard, the regulated member will:

- a) Recruit and employ staff with the appropriate qualifications, education, and registration to support competent service delivery.
- b) Ensure that appropriate administrative policies, procedures, and documents are in place and implemented to support effective human resources management and an inclusive workplace (e.g., job descriptions and contracts, orientation procedures, periodic performance review, human resources policies).
- c) Demonstrate principles of inclusive supervision  
(i.e. e.g., recognizing that supervisees can contribute effectively regardless of differences from the dominant culture , **neurodivergence, disability, and**/or culturally and linguistically diverse status).
- d) Ensure clinical policies, procedures and training opportunities are in place and implemented to ensure competent, safe, inclusive, and effective service delivery, within available resources.

##### Expected Outcomes

**Clients** can expect that the appropriate management of human resources is in place to support competent, safe, inclusive, and effective service delivery.
